COLOUR CONSULTATION

Make a statement with a paint. We know there's a lot of colour options out there, but we can help narrow down your selection for the best impact.

TULA LIVING

SHELF STYLING

Liz was tired of looking at her underwhelming shelves and wanted it to *feel more like home*. After a day of shopping together, we mixed new accessories with personal sentimental pieces to make it feel like a *true expression of her family life and journey*.

These intentionally styled pieces attract your eye to these stunning built-in shelves for a fun conversation starter or trip down memory lane.

ROOM STYLING

BEFORE

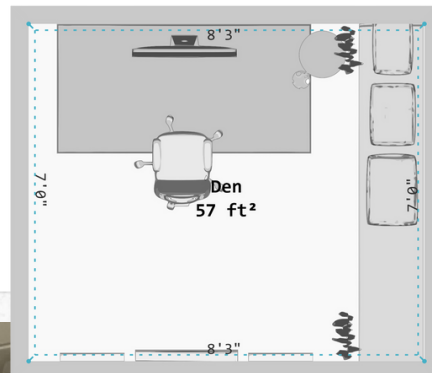

AFTER

You don't need a 5-star hotel to feel like you're on a relaxing getaway! The use of calming blues, neutrals, and cozy layering brings the experience straight to you, *right at home*. We curated these pieces based on this couple's budget and preferred furniture store.

SPACE PLANNING

BEFORE

AFTER

When we transitioned this nursery into a home office, we provided a floorplan so that our clients could *envision* the recommendations before finalizing decisions. This helped to see if specific pieces of furniture would actually fit in the space before having to physically move things around.

TULA LIVING

CLIENT LOVE

We had the pleasure of using Tula Living's interior decor and organization services for our 1 bedroom + den condo. What a difference it made to get some expert advice and input on our home!

WE WERE ABLE TO MAKE SOME SIMPLE AND AFFORDABLE CHANGES THAT HAD OUR SMALL SPACE FEELING SO MUCH BIGGER, MORE ORGANIZED, AND DE-CLUTTERED.

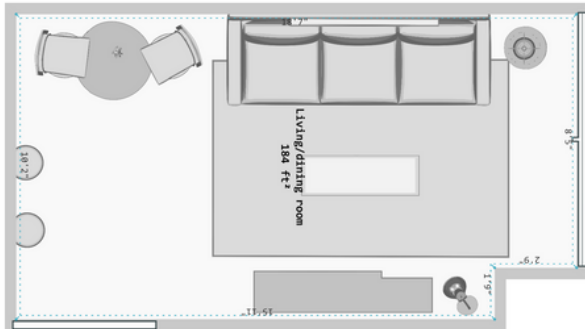

We are super grateful for Vanessa & Tula Living's services as she showed us how to make living in a small space work, without too much compromise!

DECLUTTERING + FULL ROOM DESIGN

BEFORE

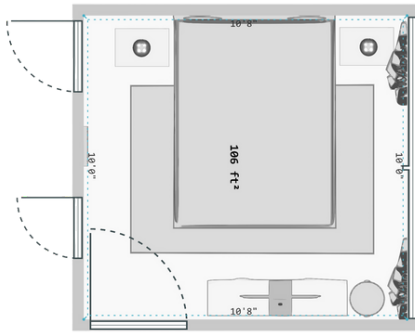

AFTER

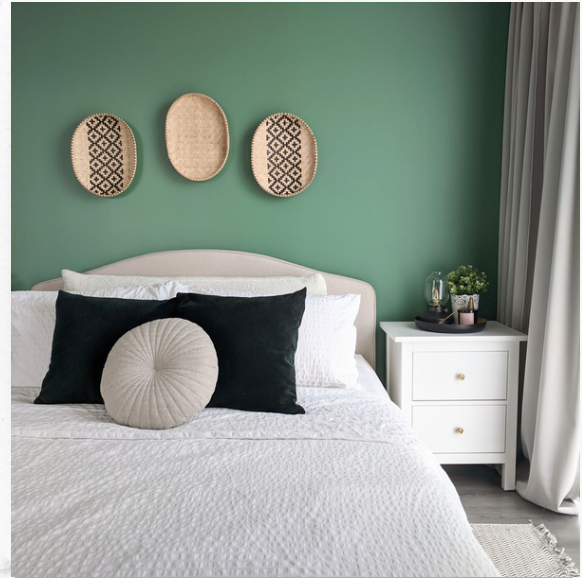

From dark and daunting to *bright and airy*, we were able to refresh this living space with some decluttering and design changes.

TULA LIVING

FULL ROOM DESIGN

BEFORE

AFTER

Furnishing a home is *a lot of work* but moving into this new space was made easier with a cohesive design plan! The grounding greens infuse this space with personality while the neutrals create a sense of *balance and harmony*.

KITCHEN PLANNING

BEFORE

AFTER

The original kitchen layout gave Gillian *such a headache* because it didn't function for her at all. We created a new layout plan and mood board so she could have a *clear guide* to share with her contractor during the renovation process.

TULA LIVING

CLIENT LOVE

Vanessa of Tula Living helped me with decluttering and reorganizing my garage. She provided practical and cost effective solutions for organization and layout so that garage space could be freed up and items would be accessible and easy to find. Vanessa's expertise and enthusiasm has been invaluable in injecting a much needed sense of direction to this seemingly neverending task/project.

CLOSET ORGANIZATION

BEFORE

AFTER

"VANESSA WAS SUPER HELPFUL AND DID AN AMAZING JOB REORGANIZING MY CLOSET SPACE.

With the little closet space I had, I never really had a proper way of organizing my clothes. With her help, she was able to set up an organization system that made it easier to find pieces of clothing while creating a clean, visual aesthetic. I couldn't be happier with the results!"

CRAFT ORGANIZATION

For this *busy mom*, she found it overwhelming to even look at this space which stopped her from fully enjoying her arts and crafts hobby. We were able to create a system that allowed her to *effortlessly access* any supplies for herself and her children.

We helped this video game lover appreciate his collection even more by making this media unit visually pleasing and systematically organized for easy access.

CLIENT LOVE

**WORKING WITH TULA LIVING WAS A DREAM.
VANESSA WAS VERY EASY AND FUN TO WORK WITH.**

She listened to our needs, assessed what we had, and made precise measurements to ensure she chose the right products for us. She truly took her time and has an amazing attention to detail. I loved seeing the plan she designed, it was so easy to visualize the possibilities. She made simple solutions to optimize our space and organize our dream kitchen.

It has been a few weeks since completing our kitchen, my husband and I both agree cooking and cleaning is much easier. The organization has motivated us to entertain more, enjoy meal prepping and add new accessories that make our life easier.

She did all the hard work for us so all we have to do is enjoy the organization that Tula Living helped us build. We will definitely working with Tula Living for future home projects.
